Dear Old Economy  
Village,

Concerning menacing  
by Looptank Racket-  
eers mentioned below:

It has already oc-  
curred toward you ob-  
viously, by its local,

County, and State.

Command-Level Responsibility Culprits (such as Hydzik, Petrinas with Ciccones and other Manically Envious Italian-American Affiliations, and mostly connected with St. James such as Ridgeway/Judge Judy, etc.) with the initiative to Remodel your interior. This has been

since approximately 1976 when, Cattie Witch (Catherine Hydzik) had a demonic, Satanic, Manic fit that our elementary schools Osborne and Edgeworth) field-tripped at location. I witnessed this moment. She was a teacher currently of Edgeworth and was present

with her class. In a  
schatological, disori-

ented fit of rage, she  
attempted to get me  
punished (and also by  
my grandmother) for  
not pleasing her by  
greeting her enthusi-  
astically enough. She  
had plotted to become  
superintendent of  
school district over  
following years with

following years with  
nefarious, occultic-  
conspiratorial intent  
(and we always hear  
the nefarious agency  
of student, witchcraft-  
proteges, the Larsons,  
from the Looptank  
Manifest Phenomena  
from the stratosphere  
AND IT NEEDS TO  
STOP by people AC-  
TUALLY taking ac-

tion admitting this responsibly! Her behavior on day mentioned was hysterical hatred of nature of the landmark! NOW... I KNOW YOU KNOW she is BIZARRE... SPEAK UP!
